

## Excellence in Overhead Material Handling Equipment Since 1961

J&B Equipment is now proud to be **Lovegreen Material Handling**. We are the **same great customer focused team** with some essential additional members. From carts and conveyors to overhead cranes, we are now more capable to support the full spectrum demands of the material handling equipment industry. For over half a century, we have provided solutions others thought impossible and will continue to do so with our new Lovegreen family ownership. **Lovegreen Industrial Services** have been operating in the industrial sector providing Millwrighting, Fabrication, Engineering, & Automation services with quality, precision, & innovation since 1948. **Lovegreen Material Handling** is the perfect accompaniment to this legacy. **We are committed to our customer's success by our expert staff, exceptional product services and support, and ethical standards.**

**We design and sell engineered overhead crane and monorail systems, hoists, lift tables, specialty carts, and engineered ergonomic material handling systems.** We offer turn-key installation, inspection, testing, and post maintenance on all of the equipment we offer.

## CAPABILITIES THAT SET US APART

**SUPERIOR IN-HOUSE DESIGN & ENGINEERING** - Our in-house engineering department allows us to offer customized solutions to complex material handling needs. Our tenured team of engineers is dedicated to solving your material handling challenges so your company can focus on what it does best. We have design ability to meet most environmental requirements like food-grade, spark and explosion resistant, and clean room. The equipment we provide meets the stringent requirements of industry standards such as CMAA, MMA, HMI, ASNI B30 and OSHA.

**MASTER CRANE & HOIST SYSTEM DISTRIBUTORS** - **LOVEGREEN MATERIAL HANDLING** is a master distributor for the best crane and hoist manufacturers in the material handling business. Our experienced sales engineers help match you to the best products to meet your application requirements, while negotiating the very best pricing from our partners. Of course, we pass these savings on to you!

**UNMATCHED SYSTEM INTEGRATION & AUTOMATION** - Our modernization and automation capabilities exceed what other companies can provide. We are always keeping an eye out for cutting edge technologies to enhance our offerings and deliver solutions seldom seen in our industry. We like to innovate and take on material handling challenges that other companies do not want or do not have the expertise to tackle. Bring it on!

**END-TO-END PROJECT MANAGEMENT** - **LOVEGREEN MATERIAL HANDLING** is a full-service operation and your adviser from the design stage through installation and future inspections, maintenance or repair. We have worked with thousands of satisfied companies that have experienced our superior level of service. We partner with the best and most experienced system installers in our industry and pride ourselves in providing outstanding customer service and complete satisfaction.

**FULL-SERVICE PARTS & SERVICE CENTER** - We support our customers in the areas of inspections, parts, service and repairs. Our skilled technicians are knowledgeable in the latest OSHA and ASME inspection requirements. **LOVEGREEN MATERIAL HANDLING** is an authorized Parts and Service Center for ACCO/Wright, Harrington Hoists, R&M Material Handling and Columbus McKinnon/CMCO. We want to be your premier source for all preventative maintenance and service, including training needed to maintain the equipment we install.

## Material Handling Services

### Parts & Service Center

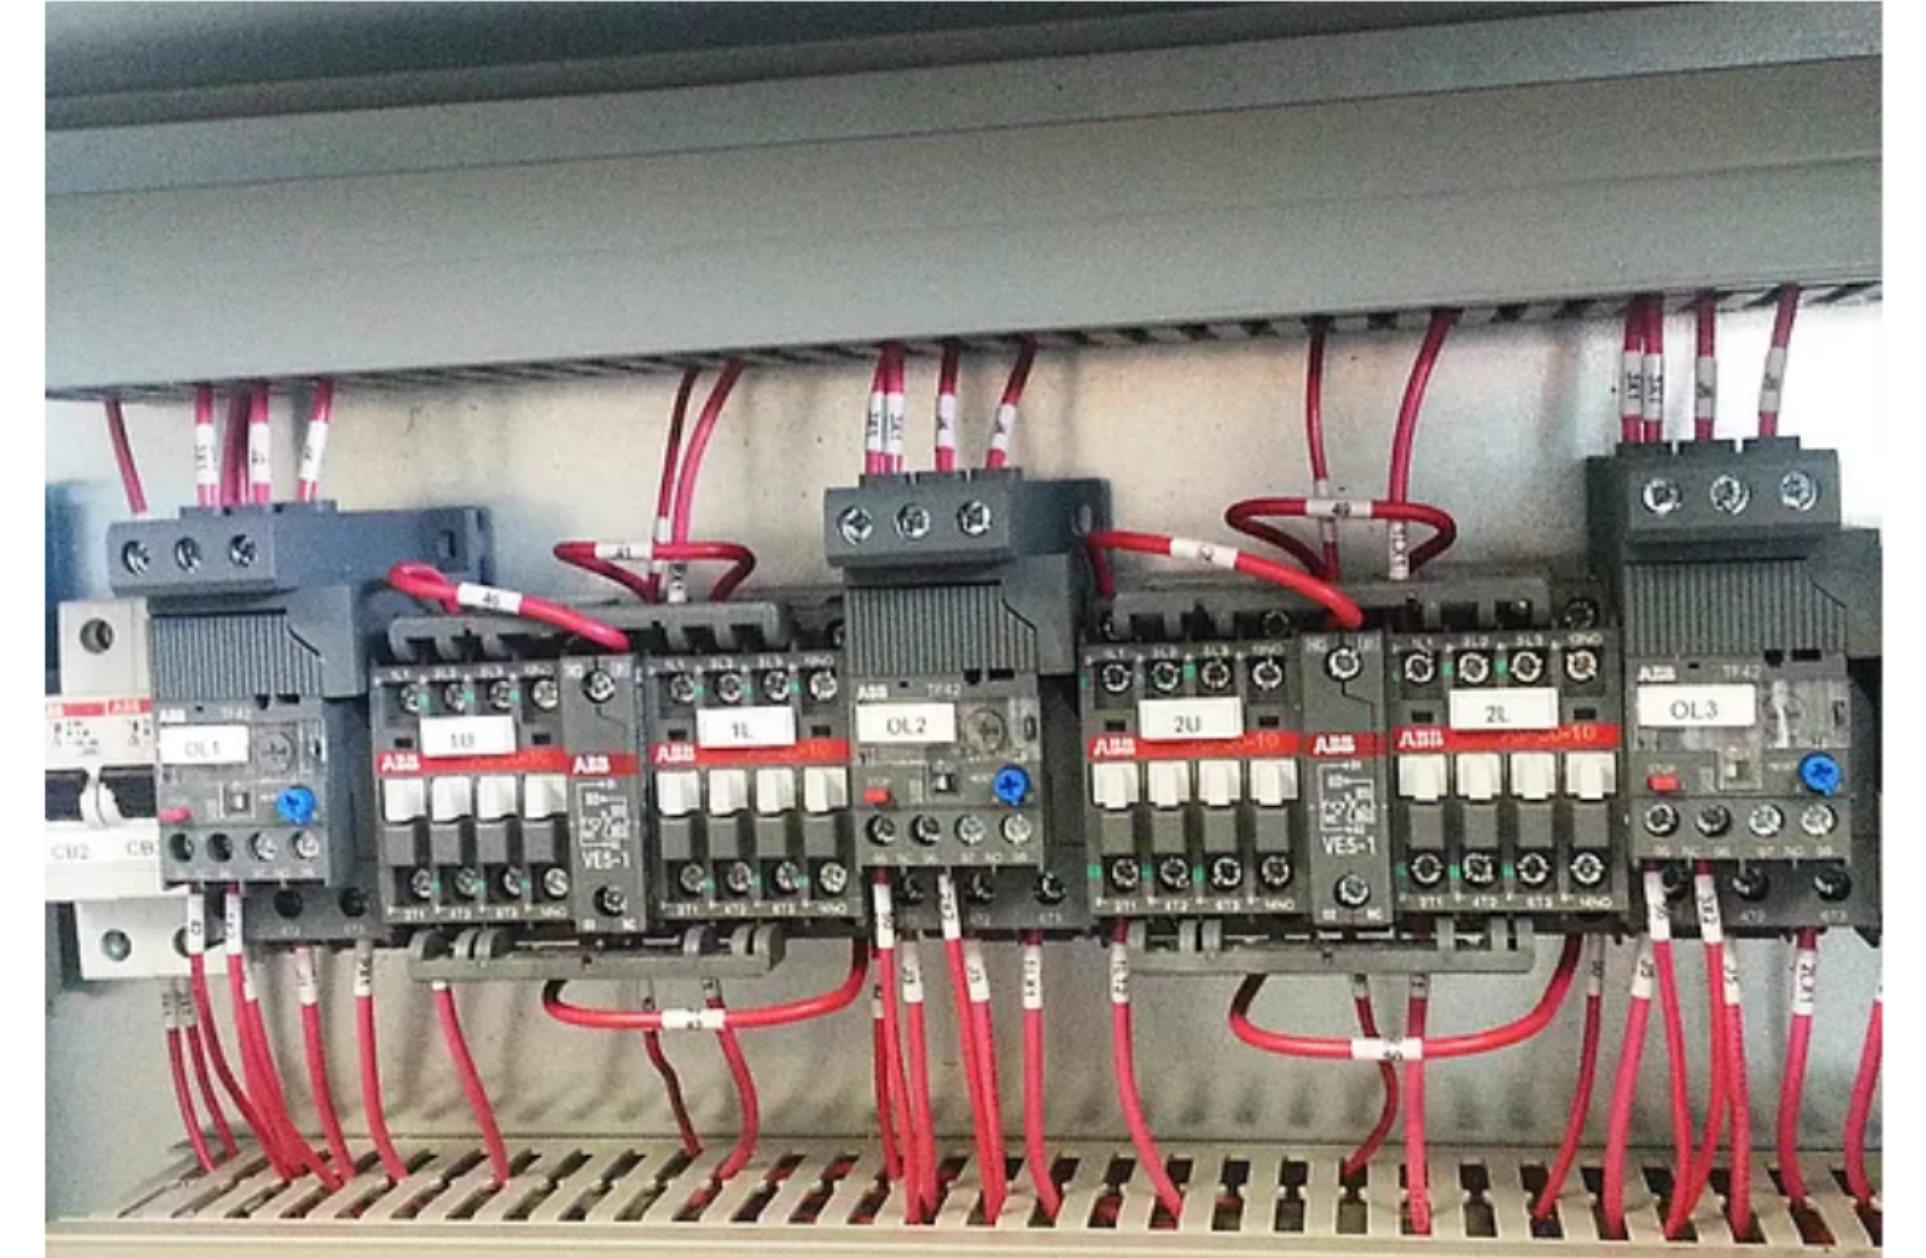

- Certified Technicians
- OSHA Hoist Inspections
- Load Testing
- Replacement Parts
- Field Repair Service
- Authorized Warranty Station

### Ergonomic Solutions

- Ergonomic Applications
- Layout Services
- Engineering Support
- Work Stations
- Safety Considerations

### After-the-Sale Support

- Installation
- Electrical Field Wiring
- Structural Fabrication
- Equipment Modernization
- Product Support Programs
- Crane Operator Training

## Bridge Cranes & Monorails

#### Top Running/ Underhung

- Contrx
- Harrington

#### Components

- ACCO / Wright
- Harrington
- Coffing

#### Patented Track

- ACCO / Louden
- Trambeam
- Cleveland Tramrail

#### Jib Cranes

- Contrx
- Spanco
- Gorbel

#### Gantry Cranes

- Contrx
- Spanco
- Gorbel

#### Enclosed Track

- Gorbel
- Zimmerman
- Spanco

## Crane Accessories

#### Conductor Bar & Festooning

- Magnetek
- Wampfler "Saf-T-Bar"
- ACCO / Louden

#### Speed Control

- ABB
- Magnetek

#### Fall Protection

- Gorbel

#### Remote Control

- Magnetek

#### Pendants

- Magnetek
- Telemechanique

#### Cable Reels

- Gleaso Industrial

## Hoists & Lifters

#### Electric

- ACCO / Wright
- Coffing
- CM Hoist
- Ingersoll-Rand
- Chester
- Harrington
- Yale / Lift-Tech
- Budgit

#### Winches

- Thern

#### Air

- Coffing
- Saturn
- Harrington
- Ingersoll Rand

#### "Below The Hook"

- Contrx
- ACCO "Mansaver"
- Caldwell
- Anver
- Morse Drum

## Ergonomic Equipment

#### Balancers & Hoists

- Gorbel "G-Force"
- Gorbel Easy Arm
- Harrington
- Ingersoll-Rand
- Tri-Motion/Bal-Trol

#### Vacuum Handling

- Anver
- ACCO "Vac-U-Lift"

#### Manipulators

- Gorbel

#### Rotators & Tilters

- Tilt-Lock
- Ingersoll-Rand
- Zimmerman

#### Carts

- ACCO / Nutting

## Manufacturer Brands and Products Offered

| <u>BRAND/ MANUFACTURER</u>  | <u>PRODUCT TYPE</u>                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| <b>ACCO / Louden</b>        | Patented Track, Conductor Bar & Festooning                                                                |
| <b>ACCO / "Mansaver"</b>    | "Below the Hook" devices                                                                                  |
| <b>ACCO / Nutting</b>       | Carts                                                                                                     |
